States. Several doctors were sent to Phoenixville, Pa., to assist there. He contracted the flu and was not expected to recover. Lacy was called to Phoenixville. The armistice was signed while he was very ill. On December 21, 1918, he was given a medical discharge and returned to Heber City.

In 1925 he bought the Mark Jeff home and established the Heber Hospital. His brother, Dr. T. A. Dannenberg, moved to Heber City in 1927 and bought an interest in the hospital.

Bert was a member of the Wasatch County School Board. He was the first president of the Heber Lions Club, also the first president of the Escondido Lions Club.

Winters were too severe for Bert's heart condition, so, in 1935, the family moved to Escondido, California, where he practiced until his retirement in 1948.

There are three sons: Bert, and the twins, Doyle and Dale.
